5. If you are selected to be a part of the SEPA Youth Leadership Team, you will need to have a congregational mentor. Your congregational mentor will help you connect the ministry you are doing on the Leadership Team with your own congregation. For example, your mentor might be your church musician if your passion is music, or it might be the chair of the social ministry committee if your interest is service and outreach. This person can be your pastor or youth leader, but it does not have to be.
