

Policies for Southeastern Pennsylvania Synod Youth Ministry Events

General

- It is required that all adults who participate in a synodical event complete national criminal/child abuse clearance checks. A copy of these reports must be presented to the synod upon the group's registration for an event. The synod is not responsible for any fees. All information received is confidential and will not be shared with others in the congregation or synod. A person needs to submit these forms only once, as long as their membership remains in the same congregation, as the forms will be filed at the synod office for future use. The synod does require, however, that clearances are redone every three years.
- A minimum ratio of one adult per seven youth must be maintained for all overnight events. For example, fifteen youth registering for an event requires three adults to attend. It is encouraged that if a congregation is bringing youth of both genders that they bring adults of both genders. If a group brings four or more youth of one gender they must bring an adult of the gender.
- There should be no one on one contact between a youth and adult except in view of other adults and youth. If confidential conversation needs to occur, it should be done in proximity to the rest of the group with doors open and lights on.
- Youth events are to function with an open-door policy. Adults have a right to observe any youth activity at any time.
- Any kind of illicit drugs, alcohol or tobacco use at a synodical youth event is strictly prohibited.
- There are to be no weapons, firearms, laser pointers or fireworks at any youth event.
- Adults and youth who feel they must have access to their cell phones, beepers, etc are to keep the instruments on silent and only use devices responsibly and during designated free time. Use of cell phone cameras and other small recording devices is prohibited in private areas.
- Physical discipline is never an option. No one is to strike or hit anyone at any time. Verbal harassment or threats are also not to be tolerated.

Transportation*

- Only drivers aged 21 or over are permitted to transport youth during any synodical youth event.
- All drivers for synodical events must have and provide a photocopy of a valid driver's license and qualify for the vehicle being operated.
- They must provide proof of vehicle insurance for the vehicle being driven.
- Seat belts must be worn by all passengers in vehicles which are equipped with seat belts.
- All state traffic laws must be observed. There should be no texting or use of the Internet or applications while driving. It is discouraged for the driver to talk on the phone while operating the vehicle.
- It is recommended that an adult never be alone with a youth or with two or more youth from the same family in a vehicle. If this is necessary, verbal permission must be given from the parent/guardian.
- Each vehicle used during a major synodical event must carry medical forms for all passengers.
- According to Pennsylvania State Law, no child 12 years old and under is allowed in the front seat of a vehicle.

- Drivers should check with their congregational policy on transportation and adhere to other restrictions or qualifications noted in such policies (example: minimum age of insured drivers, 12 or 15 passenger van limitations).

* These transportation policies are in affect for drivers from the time they arrive at the event to the time they leave the event.

Medical

- A person certified in First Aid and CPR must be part of the staff for events.
- All efforts will be made to ensure the presence of a medical professional at all overnight events
- A well-equipped and fully stocked First Aid kit must be available and maintained at all functions.
- Permission must be obtained for minors to receive over the counter medication from the event First Aid Station.
- When specified by the synod, a medical release form must be provided and fully completed for each participant of a synodical youth event. The following information is required: a photocopy of participant's medical insurance card, the name of any medications that the participant is currently as well as the dosage and frequency each drug is taken, dietary concerns and allergies.

Rooming

- It is preferred that youth and adults are not housed together. If they must be, there must be at least two adults and at least two youth in each housing area.
- There will be no housing of mixed genders, excluding married couples. In large room accommodations male and female sleeping areas are to be clearly defined.

Registration

- Completed event registration forms must designate the contact person and adult leaders for the congregation.
- Special individual concerns should be communicated to the event planner and be included on the medical release form.
- All youth, adults and event staff are required to agree and sign the Covenant for any synodical youth event.
- For synodical youth ministry event purposes a youth is considered any person in grades 6-12 when he/she registers for an event.
